Puppy Deposit Form

Please call before placing a deposit on a puppy.

I \_\_\_\_\_ am sending my \$200.00 deposit on a  
Male / Female Black / Yellow / Chocolate Labrador puppy (circle choices). I  
understand my deposit is refundable if the gender and/or color  
I choose is not available. I understand that the order of my selection  
on pickup day is determined by when Whispering Oaks receives my deposit.  
The cost of a puppy with a limited registration (the offspring of this puppy  
cannot be registered) is:

Patty and \$1600 \_\_\_\_\_

Zuzu and Solomon \$1600 \_\_\_\_\_

Angel and Archer \$1600 \_\_\_\_\_

Please indicate which breeding.

A puppy with an open registration will allow your dog to be bred and you to  
register the offspring with the American Kennel Club (AKC). The cost of an open  
registration is an additional \$1600.00. NY State sales tax of 8 % is included in the cost  
of the puppy. Your deposit can be by personal check. The balance paid  
on pickup day is by cash or bank tellers check. I agree to these terms.
